

Thule Subsola

Modern, modular panels for extended living space

Triangular smart panels for campers

USPs

- Designed for campers
- For increased living space with privacy and weather protection
- Modern, smart modularity

Specifications

1. Extend the living space outside of your awning and enjoy more privacy
2. Breathable, water-resistant fabric offers privacy and protection against sun and rain
3. The triangular panels with high-quality zippers and keders can be combined in different ways for the perfect setup
4. Adjustable pole allows you to easily generate more privacy when needed or adjust the panels as weather changes
5. Panels can be easily stored in a high-quality bag so you always bring everything you need
6. Fixation system added in the Thule Subsola Side Pack 2.50 m and all Thule Subsola Front Packs starting from 3.00 m.
7. Available in a side and front package and both packages can be combined, with the extra possibility to add additional panels or poles (sold separately) to customize your outdoor setup even more
